GMFI Invites You to Share Your Story...

Global Motivational Force International is a non-profit membership based organization with a goal to motivate. We believe all people were born with God-given gifts, talents, passions, strengths and abilities. With the right positive push and environment everyone can get to the next level, whatever that may be.

That is where our speakers come in...We have identified you as a local leader of professional and personal achievement. Most importantly, we believe YOU are the voice of success.

All the top motivational speakers say the same thing: if you want to get to the next level you have to find those people who have made it there, and spend time with them.

By sharing your story with others, you provide that extra push. GMFI works with local leaders to help share success stories. In turn, these success stories promote others to strive for the next level. One step at a time, we build a stronger more successful community, nation, and world through the powerful force of positive motivation.

Please join us as a local speaker for an upcoming GMFI event. We invite you to share your story, and we welcome you...

Sincerely,
Mark Nienow - Founder of GMFI, and the GMFI Board of Directors

Speaker Tips and Talking Points

We recommend your motivational story be about 20 minutes. Here are a few suggestions and talking points you may use as a guideline:

- Where, when, how did your story of success begin?
- How did you come up with the idea that changed everything...or how did you come across it?
- What was your biggest challenge or obstacle that you had to overcome and how did you overcome this?
- Knowing what you know now, if you could do some aspect of it over again, what would you do differently?
- What mistakes or failures did you have along the way?
- What kept you going during tough times?
- Why do you feel you succeeded?
- What was it that inspired you or who mentored you?
- What did a typical day look like for you?
- Who or what helped you the most?
- How did you finance your endeavor?
- What self-talk do you use every day? What do you say or tell yourself throughout the day, especially during tough times?
- What are the top two or three movies, writers, books, speakers, articles, quotes etc. that influenced your move toward success?
- If you could give one message to another person trying to meet his or her goals, what would you say?

Please let a GMFI Board of Directors member know if there is anything else you need for your presentation including AV equipment, special props, table, podium, seating, etc.
